As the holiday season approaches, we are excited to invite all members of Delta Sigma Theta Sorority Inc., family, friends and colleagues to join the global movement #GivingTuesday. Taking place on December 3, 2024, this day is dedicated to spreading kindness, generosity, and community spirit worldwide.

The Delta Research and Educational Foundation (DREF) believes in the power of collective giving to create lasting change. Your “Gift of Possibilities” will make a significant impact supporting the research and educational programs led by DREF and our community partners.

Here’s how you can be a part of #GivingTuesday@DREF:

- **Donate** on or before December 3, 2024 (the Tuesday after Thanksgiving) by accessing this link - igfn.us/form/iZLnJQ
- **Spread the Word** - Share our information on social media, share the donation link, repost our campaign messages and encourage all to support the DREF Gift of Possibilities campaign.
- **Get Involved** - Follow DREF on social media and @ www.deltafoundation.net

Together we can turn this global day of giving into *Creating Possibilities and Improving Lives* for African American Women and their families through DREF. Thank you for considering being a part of DREF’s #Giving Tuesday campaign and give the “Gift of Possibilities”..
