

Julie Lester, DPM

Houston, TX

Dr Julie Lester is a native of Shreveport, Louisiana. She earned her Bachelor of Science degree in Biological Sciences from Clark Atlanta University in 1999. She then attended Ohio College of Podiatric Medicine in Cleveland, Ohio, where she received a Doctor of Podiatric Medicine degree in 2005. Upon graduation, she received comprehensive forefoot and rearfoot surgical training from the Kern Residency Program at Southeast Michigan Surgical Hospital in Warren, Michigan.

After completing residency training, Dr Lester relocated to the Houston area to open her own podiatric medical practice. She specializes in the diagnosis and medical and surgical management of disorders affecting the foot and ankle. She prides herself on offering quality expert care in a friendly and comfortable environment. She is also a Certified Holistic Health Coach and remains committed to supporting her patients in improving their overall well-being.

In her free time, Dr Lester enjoys participating in local health fairs, giving presentations at local schools, senior centers, and social groups to educate the public on the podiatric medical profession. She is also a dedicated volunteer for Healthcare for the Homeless-Houston, and is the President of the Health & Wellness Ministry at Covenant Glen United Methodist Church.

When she is not taking care of patients, Dr Lester enjoys reading, traveling, and spending time with family.
